Partnership  
Patron

March 23, 2007

Dear Ms. Papp,

It is a privilege and a blessing to honor you as the sponsor of Sylvia. You hold a special place in your sponsored child's heart.

And so, on the behalf of all of us at Christian Children's Fund and your sponsored child, please allow me to honor you by welcoming you to our *Friends of Children Society* as a Partnership Patron.

You have been awarded this recognition because of your continuing, generous support of the mission and work of Christian Children's Fund. You have reached this level because our records show that over the years you have contributed \$1,240 to CCF to help children living in poverty.

My hope is that this acknowledgement will be especially meaningful to you now, as children are in such great danger from the effects of extreme poverty, deadly diseases, and increasing violence.

Today more than ever, children and entire communities urgently need the quality healthcare, nutritious food, pure drinking water, and basic education your generous giving provides. And they depend on CCF's in-country support networks of health workers, nutritionists, educators, and economic development coordinators to get the tools they can use to lift themselves out of poverty and into a hopeful future.

In Zambia where your sponsored child lives, children who are living in unimaginable poverty receive care from Christian Children's Fund at 30 separate projects. So you can see, you are an important part of our family helping more than 10.5 million children and families in 33 countries across the globe. Thank you for everything you do for the children.

Your commitment to the ongoing mission of Christian Children's Fund and your membership in the

**Christian Children's Fund**  
2821 Emerywood Parkway  
Richmond, VA 23294

*Friends of Children Society* will help children in exciting new ways worldwide. Compelled by the love for children we share, CCF has identified three areas where we can do the most good for the most children in the next five years:

- 1. Help More Children.** Your continuing support of Christian Children's Fund will help us dramatically expand the number of children we serve in the next five years.
- 2. Solve Problems that Sponsorship Can't.** You also help us provide long-term programs that can lift entire communities out of desperate poverty for generations. CCF digs wells to provide fresh, clean water. We help mothers set up neighborhood bakeries so they can provide for their own children. We build Health Huts to bring medical care to remote villages. And so much more.
- 3. Protect Children from the Effects of War and Natural Disaster.** And you make it possible for CCF to immediately offer emergency relief to more children and families affected by horrific disasters...like earthquakes, floods and famine. Because of your faithfulness, we can also help children swept up in the deadly destruction of war and conflict in Afghanistan, Liberia, Sudan, Uganda, and other parts of the world.

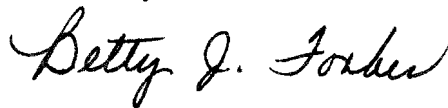

Imagine – all this promise and hope that you have created, acknowledged by the simple certificate enclosed with this letter. You'll notice on your certificate that there are spaces for three recognition seals representing levels within the *Friends of Children Society*. As your membership continues, you'll have the opportunity to move up in this and other CCF Societies, as a Partnership Patron, Stewardship Patron, or a Leadership Patron.

And rest assured, while we want you to know how much we appreciate you...our primary focus will continue to be providing the most significant help to the greatest number of children, in the most caring, cost-effective manner possible.

On behalf of the children we serve – and all the CCF staff – thank you and welcome once again to the *Friends of Children Society*. As a symbol of your membership status, we have included a bookmark, a simple reminder of all of the good that you are helping to bring to children in need.

We look forward to building our relationship together and hope that you will take the opportunity to visit our headquarters in Richmond, Virginia. However, in the meantime, if you have any questions, please call us at 1-800-776-6767. We all look forward to many more years of serving children together with you.

Sincerely,

Betty J. Forbes  
Vice President, Sponsor Services

P.S. The enclosed Certificate of Appreciation recognizes the lasting contribution you're making to the world's most precious resource – its children. Please use the frame within the enclosed brochure to display your certificate where it will encourage and acknowledge you every day. You are a blessing for the children.
